

To,

The Prime Minister,
Mr. Narendra Modi
New Delhi, 110011

Honorable Sir,

Subject : Sindhi Language preservation and 24x7 DD Sindhi Channel

On the eve of Hindu Sindhi New Year (ChetiChand) we would draw your kind attention to the grave situation being faced by the Sindhi Community in absence of support for the preservation of the language and culture. And this is despite the fact that Hindu Sindhis suffered the most during the partition in 1947 and are totally left to fend for themselves.

Even in its recent verdict [Wp(c)8507/2015] Honourable High Court of Delhi has clearly stated that “ There cannot be any two opinions that the Sindhi Community being a Minority is having a right for the preservation of its own heritage and culture”.... and “... It is expected that the (Govt.) shall make every possible effort and endeavour to open a new DoorDarshan Channel for the Sindhi Community...”

In view of the above, may we request you once again to consider starting the 24 x 7 DD Sindhi Channel? This will not only rekindle the hopes of reviving the almost extinct language but also support the 5000-Year old culture to survive.

Please treat this as a fervent appeal from a scattered community of this country which could boast of its origins from a cradle for the Bharat-Varsh.

Yours Sincerely,
