Folkloric program for Sindhis

Fun filled evening with Sindhi music, dance and comedy

Asha Chand's 19th annual entertainment programme for the UAE Sindhi community will be staged on 23rd November 2018 at the Sheikh Rashid Auditorium in Dubai. Titled "**Jhalak Sindhyat Jee**", the program will feature folkloric music, dance performances and stand-up comedy.

Says Asha, "Jhalak Sindhyat Jee" literally means 'Glimpses of Sindhi Culture'. True to its name, the program will offer delightful peeks into the rich culture through a fun tapestry of music, song, dance and contemporary comedy.

"Well known artists from India, Sindh and UAE will converge in Dubai including the famed youthful talented singer and composer **Jatin Udasi**. Udasi's powerful stirring voice will enthrall the audience while **Shazia Khusk**, a popular folk singer from Sindh will present an array of folk inspired songs tweaked with modern beats. Leading Hasya Kavi and standup comedian **Ashok Sundrani** will provide the audience a flavor of Sindhi comedy. Several dance performances will provide nonstop entertainment for the audience."

Asha's shows have the remarkable quality of creating spontaneous unity amongst people who share the same cultural identity. Says Asha Chand "Culture adds colour, richness and meaning in our lives. It is our responsibility to preserve our age old traditions in an increasingly globalised world."
